# Overview

It is our pleasure to introduce Shraddha Utilities Pvt Ltd, an illustrious name in the electrical industry, proudly founded on 27th August 2012 registered in Jamshedpur. With esteemed accreditations of ISO 9001:2015 for Quality Management and ISO 45001 for Occupational Health and Safety Management, we stand as a beacon of excellence in Electrical Contracting and Solar PV installations, catering to industrial, commercial, and residential sectors.

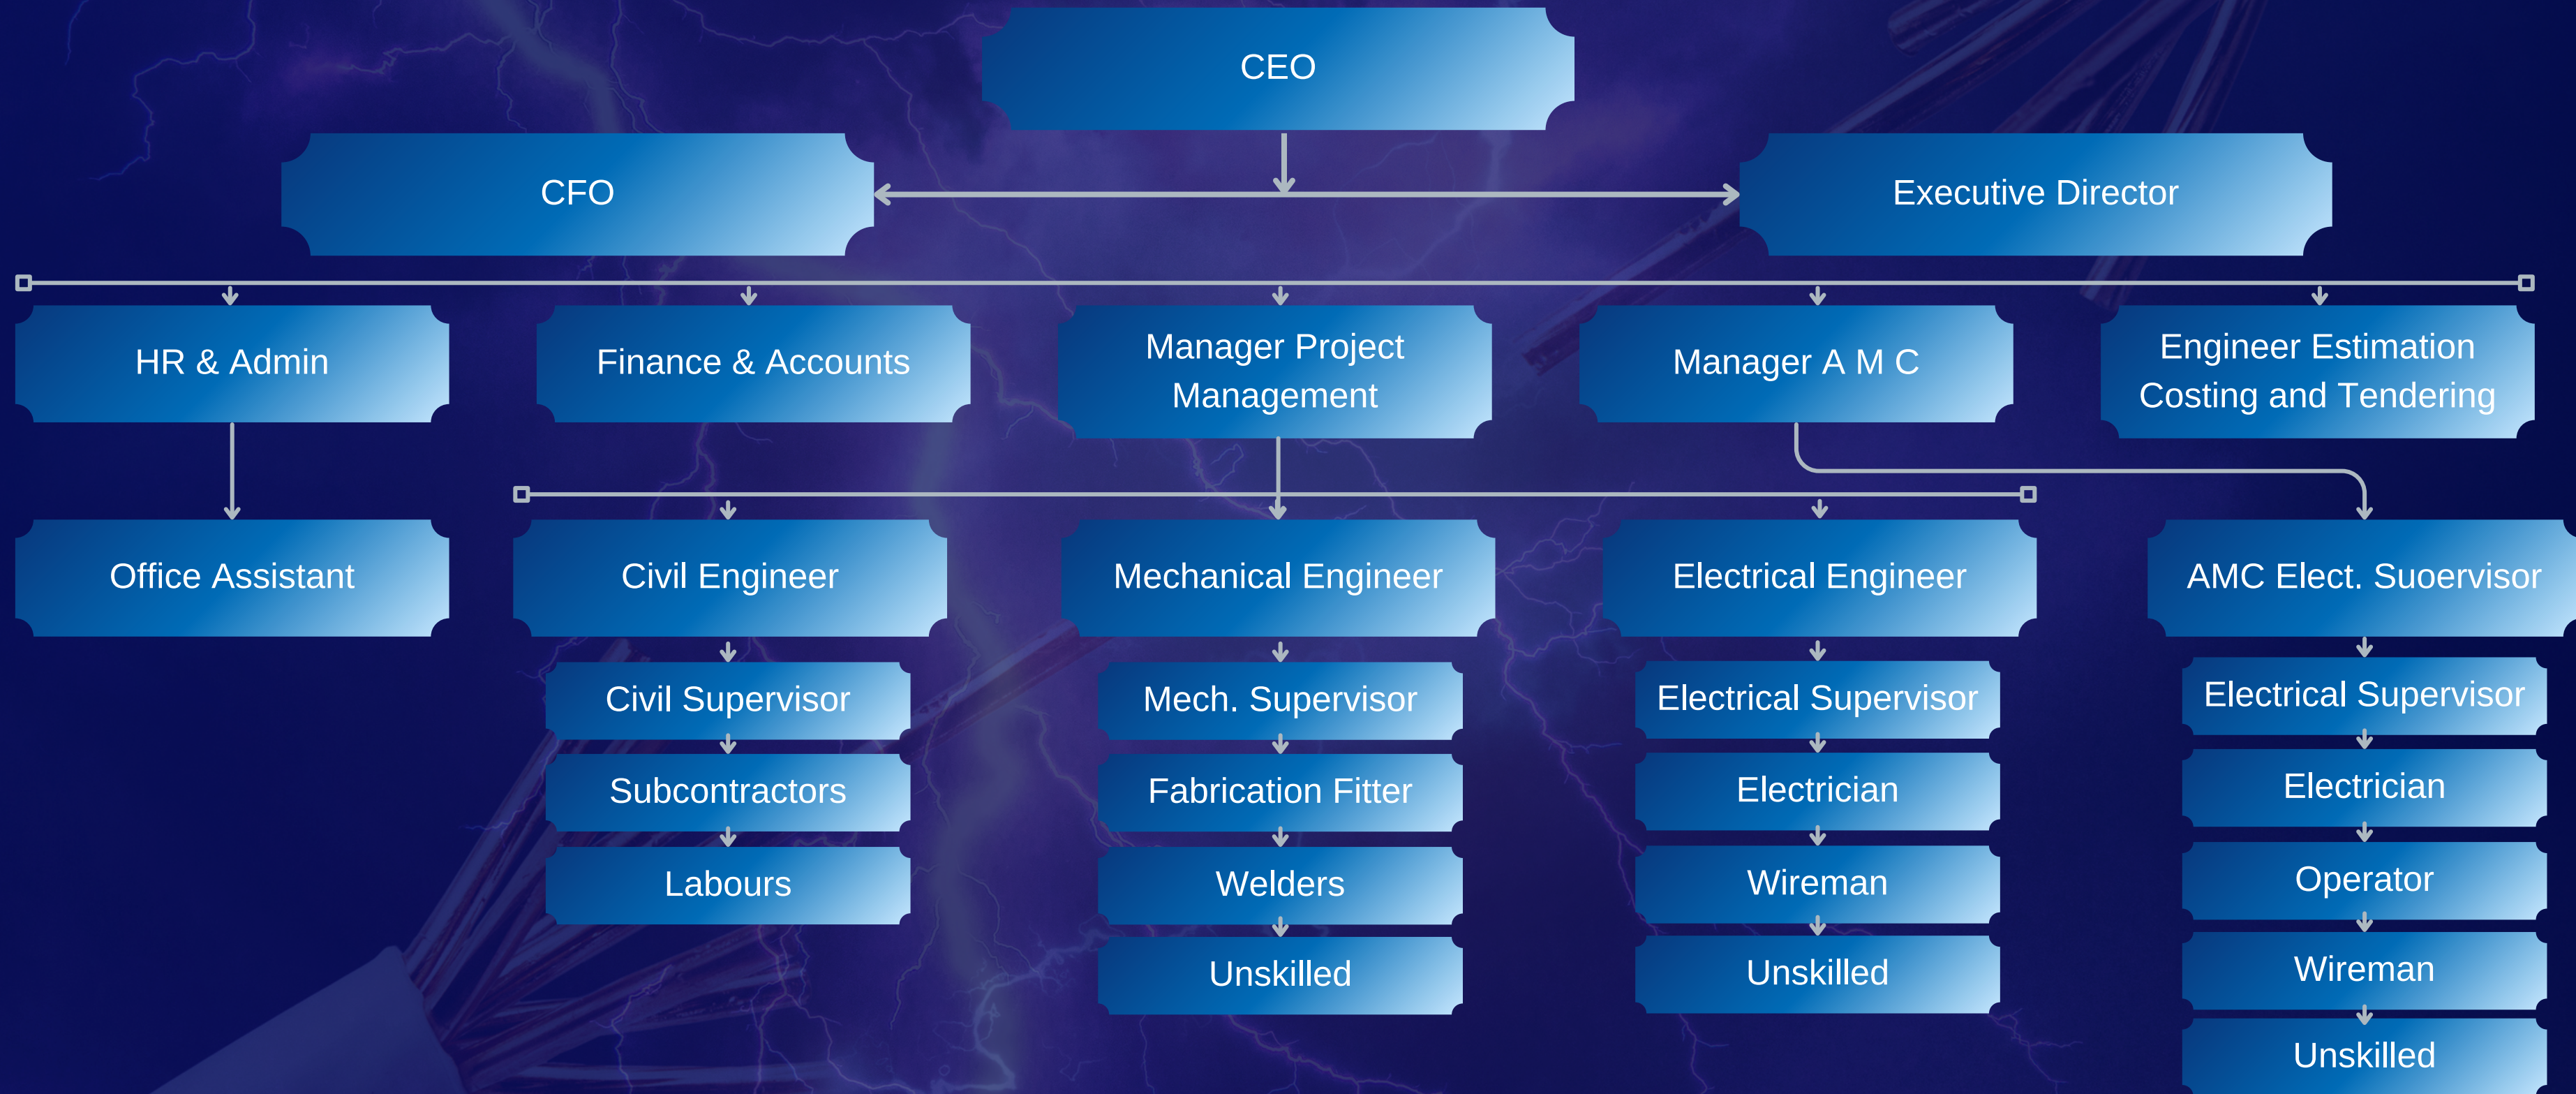

Our prowess in substation installations and extensive electrical contracting for factories, particularly in the Heavy Industries sector, is unmatched. We bring the same level of precision and adherence to industry standards to our electrical work in hospitals, malls, and expansive residential projects.

Embracing environmental sustainability, we are at the forefront of renewable energy solutions with our Solar PV installations, meticulously designed to enhance energy efficiency and sustainability for both industrial and commercial applications.

A cornerstone of our success is our dedicated team of experienced project managers, qualified electricians, and diligent support staff. Their unwavering commitment ensures that all projects are completed seamlessly, on time, and within budget. Our valued customers' trust and frequent recommendations are a testament to our reliability and exceptional service.

# Organizational Structure

# Vinod Tiwari

## Chief Executive Officer & Managing Director

Vinod Tiwari, the visionary of our company, has been the driving force behind our success and growth since the company's inception in 2000. He secured an electrical license from the Government of Jharkhand in 2002 and has since achieved numerous accolades, including Best Vendor of the Year 2008 from Jusco and Best Contractor Safety Practice from Tata Motors in 2023. Additionally, the company received a Certificate of Appreciation for Long Association by Tata and was proudly recognized as Vendor of the Steel in 2023.

Vinod's strategic vision has led our company to excel in substation installations and extensive electrical contracting for factories, particularly in the Heavy Industries sector. Our precision and adherence to industry standards extend to our electrical work in hospitals, malls, and expansive residential projects. Embracing environmental sustainability, we strive ahead at the forefront of renewable energy solutions with our Solar PV installations, meticulously designed to enhance energy efficiency and sustainability for both industrial and commercial applications.

Under his leadership, the company has undertaken Advanced Metering Infrastructure (AMI), township management for Tata Motors over a 25 sq km area, a 33KVA Substation in Sakchi, Jamshedpur, and a mega project for Tata Steel in Noamundi. Executing projects without compromising quality and safety is his core strategy.

Looking ahead, Vinod continues to guide our company towards new opportunities, including expansion into green renewable energy and data centers. His focus on operational excellence, strategic positioning in emerging markets, and dedication to social responsibility and employee well-being are central to our mission of driving sustainable growth and delivering exceptional value to our stakeholders.

# Pawan Kumar Periwal

## Chief Financial Officer

Pawan Kumar Periwal is a Chartered Accountant who qualified in 2005. He has worked with global banks such as Citi, HSBC, and Barclays before entering practice. With over 17 years of extensive experience, Pawan has significantly contributed to professional success and growth. His journey took a pivotal turn in 2024 when he joined Shraddha Group as an Investor and Chief Financial Officer, after serving as the company's Statutory Auditor until 2023.

In his role as CFO, Pawan has been instrumental in driving the company's financial strategy, focusing on debt reduction, cost management, and efficiency improvements. His strategic initiatives have significantly strengthened the company's financial health and operational performance. His expertise also extends to supply chain management and HR compliance, where he has implemented robust systems to ensure smooth operations and adherence to regulatory standards.

Pawan's technical skills are complemented by his ability to build strong client relationships. He is known for providing personalized attention, understanding clients' unique needs, and offering tailored solutions. This client-centric approach has earned him a reputation for reliability and trustworthiness, leading to a loyal client base and numerous referrals.

As Pawan continues to lead Shraddha Group into the future, his blend of financial acumen, strategic insight, and focus on client satisfaction will undoubtedly be key drivers of the company's continued success and growth in the competitive market.

## Our Mission

Our Mission is to be providing world class cost effective, electrical engineer & general order suppliers job in leading industries to create value for all stake holder. Ensure using more and eco-friendly technology.

As safety is one of the mandatory requirements and our priority mission is:

- Zero LTI
- Zero Fatal

## Our Vision

Shraddha Utilities (P) Ltd. aims to be:

- A benchmark service provider in India.
- A leader in effective and efficient electrical engineering and general order Supply services.
- A preferred partner by creating high value for customers.
- An enriching workplace where employees excel through innovation and teamwork.
- A provider of high-fidelity services and solutions.

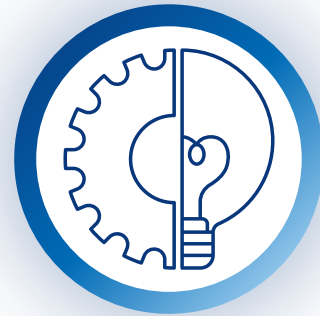

# Our Values

## Excellence in Service

Delivering reliable, high-value solutions that prioritize customer success.

## Innovation and Sustainability

Embracing eco-friendly technologies for cost-effective and sustainable solutions.

## Safety and Integrity

Committed to safety, ethical conduct, and a trustworthy work environment.

# Our Strength

We have a dedicated and driven team of graduate engineers, qualified and experienced Supervisors, Safety supervisor along with Skilled and Semi-skilled workforce.

## 01

Our team is composed of graduate engineers and qualified supervisors who bring a wealth of knowledge and industry experience to every project.

## 02

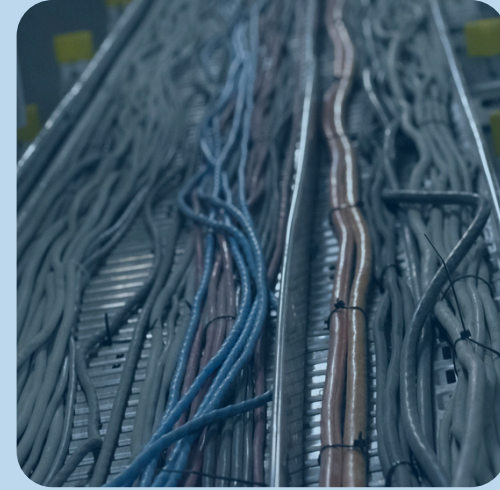

With dedicated safety supervisors, we ensure that all operations are conducted with the highest safety standards, minimizing risks and enhancing worksite security.

## 03

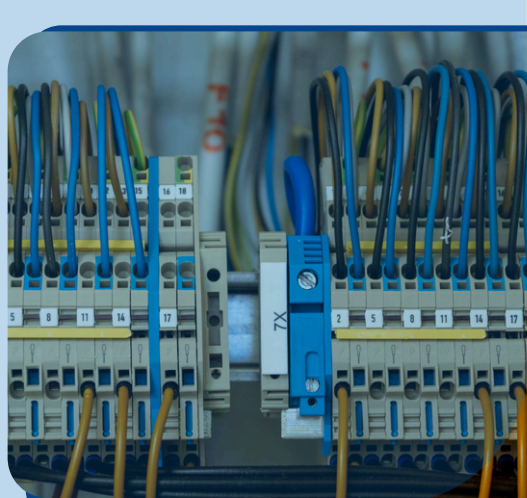

Our skilled and semi-skilled workers are highly trained and committed to delivering quality work, ensuring the success of every project

# Our Services

# Sub Station Installation

Our Substation Installation service is designed to provide reliable and efficient power management solutions for various applications. We handle every aspect of substation setup, from initial design to final commissioning, ensuring that the infrastructure is capable of meeting current and future power demands.

# Cable Laying & Testing Services

At Shraddha Utilities, we specialize in cable laying, termination, glanding, and testing for both underground and overhead applications. Our experienced team ensures precise and durable installations using advanced techniques and high-quality materials, delivering reliable and efficient solutions for your electrical infrastructure needs. With a commitment to excellence, we ensure every project meets the highest industry standards.

# Laying, Erection, Jointing and Termination of cable

Our Laying, Erection, Jointing, and Termination of Cable service offers comprehensive solutions for the installation and maintenance of electrical cable systems. We ensure that cables are correctly installed, securely joined, and properly terminated to guarantee reliable and efficient power distribution.

# **Fabrication and installation of cable trays**

Our Fabrication and Installation of Cable Trays service provides robust solutions for the organized and secure management of electrical cables in various settings. We specialize in custom fabrication and precise installation to ensure that cables are protected, accessible, and efficiently routed.

# Panel Work Solutions

At Shraddha, we specialize in high-quality panel work for industrial and commercial needs. We design, install, and maintain electrical control panels to ensure efficient operations. Partnering with Siemens, ABB, and Schneider, we deliver robust panels for power distribution, motor control, and automation. Trust Shraddha for reliable and innovative panel solutions that empower your business.

# Township Electrification Work

At Shraddha, we specialize in township electrification, with ongoing projects for Tata Motors and JUSCO. Our skilled team handles design, installation, and maintenance, ensuring reliable and efficient electrical infrastructure for large-scale townships. We use top-grade materials and follow strict safety standards to ensure seamless power distribution. Trust Shraddha for reliable and innovative electrification solutions.

# Solar Paneling Services

Our Company specializes in providing top-tier solar paneling solutions for residential, commercial, and industrial clients. We offer a full range of services, from design and installation to maintenance and support, ensuring sustainable and efficient energy solutions. Our service involve Tailored solar system, Installation, Maintenance and Support, Seamless integration with existing power grids, Advanced battery storage solutions for energy independence.

# Transformer installation service

Our Transformer Installation service is focused on delivering reliable and efficient power transformation solutions to meet the specific needs of various industries and infrastructure projects. We handle the entire process, from procurement and installation to testing and commissioning, ensuring a seamless and high-quality setup.

# Survey of Potential Areas of Consumers

Our Survey of Potential Areas of Consumers service is designed to identify and analyze regions with high demand for utilities and services. This comprehensive assessment helps in planning and expanding infrastructure to meet the needs of emerging markets and consumer bases.

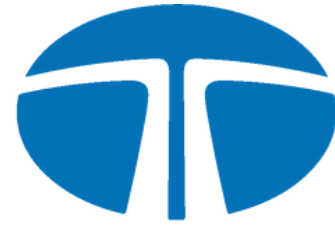

# Development of Area

Our Development of Area service focuses on transforming regions into well-planned, fully serviced areas that are ready for residential, commercial, or industrial use. We manage the entire development process, from initial planning to the implementation of infrastructure, ensuring that the area is equipped to meet future needs.

Premises No.-250

Line No-08, Kasidih

Jamshedpur-831001

Sub- Registration of M/S Shraddha Utilities Pvt. Ltd. as an Electrical Contractor.

Ref:- 1) Your Ref No.- SUPL/L/001/2019-20,

Dated-13.06.19

Sir,

With reference to the above noted subject, your request for enlistment as an Electrical Contractor under Singhbhum Electric Supply Area, Jamshedpur has been considered. The undersigned is pleased to enlist you as an electrical contractor for AC installation upto 11 KV, AC installation upto 33 KV, Overhead Line upto 132 KV & Underground Cable as enlistment no.- ESA/JSR/Contract/06/2019-20..

This Registration/ Enlistment is subject to submission of labour licence and labour insurance/ESI after getting any work order at any level of JBVNL officials within 15 days otherwise your work order may be treated as cancelled and in case of non-submission of such certificate, other contractors may be awarded for same work.

The work will be allotted to you as per Board's term and condition after completing of necessary formalities and verification of original document like Electrical License, Income Tax Clearance etc by the concern Electrical Superintending Engineer.

The registration is valid up to validity of Electrical Contractor License i.e. upto 31.12.19, after that renewal is required. Renewal will be considered in light of proper verification of up to date desired documents.

**Note:- Undersigned reserves the right to cancel the registration at any time without assigning any reason and also the reserves the right to change any rules regarding enlistment.**

Yours Faithfully,

  
(Arvind Kumar)

GM-Cum-Chief Engineer
